

CoTech Trading (GB) Ltd

QUALITY POLICY STATEMENT

Cotech Trading (GB) Ltd is committed to identifying and working with all stakeholders in our business to ensure our company purchase, manage, and market products that fully meet the requirements of our customers.

To achieve this aim it is the intention of Cotech Trading (GB) Ltd to:

- Work in partnership with customers to identify and realise their requirements in a mutually beneficial manner.
- Introduce products and services that are compliant to regulatory, quality, safety, and manufacturers standards.
- Ensure our supplier base is fully involved in the promotion of partnership and ongoing improvement by encouraging the routine operation of good practises.
- Monitor and measure our processes and systems, to identify improvement opportunities throughout operations.
- Manage employee training, and competence to promote safety, and understanding of roles, responsibilities, and the quality management system.

To this end, Cotech Trading (GB) Ltd are continually reviewing, & monitoring this policy to ensure success in achieving it's aims and consider improvements as necessary.

Cotech Trading (GB) Ltd.'s objective is to develop the business with the requirements of this policy being met.

Responsibility for upholding this policy is truly company-wide under the guidance of senior management who encourage the personal commitment of all staff to address quality as part of their skillset.
